

Certificate

The SQS herewith attests that the organisation named below has a management system that meets the requirements of the normative bases mentioned.

TÜV NORD AG
Am TÜV 1
30519 Hannover
Germany

Further sites according to appendix

Scope

Tests and assessments for materials technology, tank plants, electrical and control technology, conveyor technology, pressure equipment and system technique; energy and system technology; information technology and IT security; environmental protection; engineering; inspections and expertises for vehicles; testing of components for aerospace applications; exploration of raw materials, geoengineering; provision of services for industrial safety and health protection within the framework of the prevailing laws and decrees; delivery of trainings as well as design of existing and new services.

Normative bases

ISO 9001:2015

Quality Management System

ISO 14001:2015

Environmental Management System

ISO 45001:2018

**Occupational Health and
Safety Management System**

Reg. no. H35387
