

# Certificate

The SQS herewith attests that the organisation named below has a management system that meets the requirements of the normative bases mentioned.

**TÜV NORD AG**  
**Am TÜV 1**  
**30519 Hannover**  
**Germany**

Further sites according to appendix

## Scope

Tests and assessments for materials technology, tank plants, electrical and control technology, conveyor technology, pressure equipment and system technique; energy and system technology; information technology and IT security; environmental protection; engineering; inspections and expertises for vehicles; testing of components for aerospace applications; exploration of raw materials, geoengineering; provision of services for industrial safety and health protection within the framework of the prevailing laws and decrees; delivery of trainings as well as design of existing and new services.

## Normative bases

**ISO 9001:2015**

**Quality Management System**

**ISO 14001:2015**

**Environmental Management System**

**ISO 45001:2018**

**Occupational Health and Safety Management System**

Reg. no. H35387
