

## Free Webinar on GlobalG.A.P. A Trustworthy Path of Agriculture Production

**Date: 13th August 2021 Time: 11:00 AM to 1:00 PM**

### Course Features

GlobalG.A.P. certification aims at safer food availability for consumption at global level. GlobalG.A.P. certification along with its add-on schemes helps the stakeholders of agriculture industry to reduce costs and hurdles for export. Certified GlobalG.A.P. produce is beneficial for all type of land holders, producers, processors and packers. It is beneficial over other agricultural certifications in terms of reach to the market, cost involved, documentation requirement, understanding of safety aspects, for producers farm workers and consumers.
